

Application for Waiver of Double Major Qualification at Kainan University

- 1、 Applicants who have met the graduation qualifications of the Department but have not completed the courses and credits of the double major plus the department may apply to give up the double major qualification or apply for the minor qualification by filling in this application form in person.
(However, those who have been selected for less than one year are not allowed to withdraw from the election or transfer to the dual main line)
- 2、 Those who have given up the dual major to apply for a minor program should obtain a graduation verification form from the major department and submit the verification seal of the additional department and the major department, and the number of credits required by the minor department shall not be lower than the "estimated number of credits" of the minor department in the original application year. (The subjects reviewed by the minor department shall not be duplicated with the major department).
- 3、 Application period: within one week after the start of each semester.
- 4、 After the application has been submitted to the Registration Office, the applicant shall not request for the reinstatement of the double major qualification for any reason, nor shall he request the school to issue a certificate of study after graduation.
